

WAIMEA COLLEGE

Policies and Procedures

Policy: NAG – 6 Extra-Territoriality

Date Approved: 21 September 2020

Review Date: 2023

Rationale

To uphold Waimea College's reputation and image, and to meet the fair and reasonable expectations of the school community.

Purpose

1. To ensure the school fulfills the function of teaching students the values of Waimea College.
2. To safeguard the school's interest in being seen as upholding acceptable conduct.
3. To show responsibility in regard to the health and safety of pupils and the duty of care to the public and wider community.

Guidelines

1. A "student" is any person enrolled at Waimea College as a student, and/or identifiable as a student by the wearing of a Waimea College uniform (including any sports uniform or Waimea College hoodie) or part thereof and/or engagement in Waimea College school activities.
2. Given the extensive catchment area of the school, the school community conceptually encompasses any geographic area where the uniform is worn. This policy, therefore, applies to any student who sets a harmful and dangerous example to other students or members of the wider community.
3. The standards and expectations are those as outlined in the Waimea College student handbook or any other Waimea College document that includes behavioural standards.
4. Students are expected to meet the standards and expectations of the school both within the school and in the wider community. By law, such activities as (but not limited to) offensive language, violence, smoking, purchasing or consuming drugs or alcohol or engaging in any illegal activities are all encompassed by this policy.
5. All students are expected to abide by this policy.
6. Any student found to be in breach of the behavior code may be subject to the normal disciplinary procedures that apply to students within the school grounds.

This policy is to be read in conjunction with the Waimea College Trip Pack and all other relevant policies.
