## Policies and Procedures

**Policy:** NAG 1 - Treaty of Waitangi

**Date Approved:** 27 October 2020

**Review Date:** 2023

---

Each Board of Trustees is required to foster student achievement by providing teaching and learning programmes, which incorporate The National Curriculum as, expressed in The New Zealand Curriculum 2007 or Te Marautanga o Aotearoa.

Each Board, through the Principal and staff, is required to fulfil the intent of the Treaty of Waitangi by valuing and reflecting New Zealand's dual cultural heritage and recognising Māori as Tangata Whenua.

Waimea College strives to provide every student with an appropriate and effective educational programme and we will:

1. Consult with the school's Māori community to develop and make known to the school's community, policies, plans and targets for improving the achievement of Māori students.
2. Provide appropriate Māori resources and PD to assist all staff and departments to meet the needs of our students and ensure that the curriculum reflects Māori perspectives.
3. Monitor the progress of Māori students as part of the NAGs and implement strategies to improve their educational outcomes, as well as meet their needs spiritually and emotionally.
4. Develop and nurture closer relationships between the school and their whānau.
5. Provide appropriate and effective Māori language programmes for all who wish to learn. This will be carried out within the boundaries of the school's financial and staffing resources.
6. Work with the local community, and beyond, to address advanced levels of Te Reo, Tikanga and Kawa.
7. Further develop the Māori dimension within the total school atmosphere through recognition and practice of the values of Manaakitanga and Whanaungatanga.
