

WAIMEA COLLEGE

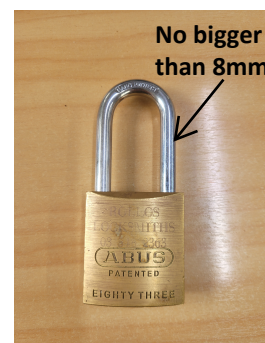

Student Lockers

**RETURN FORM WITH PAYMENT TO THE
WAIMEA COLLEGE FINANCE CENTRE**

We have a limited number of lockable lockers available to students for a yearly rental.
As of 2026 you will need to provide your own sturdy padlock with a shank diameter that is between 5-8mm.

These lockers are available in two sizes:

Large	900 mm x 450 mm x 375 mm	\$55.00
Small	450 mm x 450 mm x 375 mm	\$30.00

(Please indicate if you require a low locker – some lockers will be hard for shorter students to reach).

Large lockers are generally reserved for students with sports equipment, etc. The lockers **do not** have shelves, therefore are unsuitable for students to share. Year 9 students usually only require a small locker.

Alternatively, payment can be made directly to Waimea College's NBS Account number 03 1354 0451719 01 and the form emailed to accounts@waimea.school.nz. Please ensure your child's name and Locker are included as the reference. Payment should be received before 20 January 2026.

This is a **yearly rental** so please ensure the locker is cleared out and lock removed at the end of Term 4.

A locker cannot be allocated until **payment is received**.
